

MILITANT AND PERSPECTIVA MUNDIAL TAX REFUND

Turn your federal income tax refund into something the Democrats and Republicans never planned on: a way to deepen the struggle and education of working people against capitalist exploitation and oppression and widen a working-class campaign against imperialism and war.

The *Militant* and *Perspectiva Mundial* urge every reader to contribute their federal tax refund as part of the campaign to get out the truth and help to finance a fighting working-class voice in face of Washington's escalating war.

Every contribution, large or small, will be put to good use in giving workers, farmers, working people in uniform, and youth a socialist perspective as U.S. imperialism deepens its assault against working people at home and abroad. Join a

growing number of supporters who have made a contribution. Send the amount you would like to contribute to: themilitant@compuserve.com or send in the coupon below.
