## Militant Fighting Fund Endorsement

---

I support the free speech and freedom of the press rights of the *Militant* newspaper. Please list me as an endorser of the Militant Fighting Fund.

The C.W. Mining lawsuit, in the courts in Salt Lake City, Utah, against the United Mine Workers of America, and Co-Op miners fighting for the union, newspapers such as the *Militant* that have written about this struggle, and groups and individuals who have backed the miners, is an attempt to chill free speech and intimidate supporters of the miners. Such attacks on labor rights and the First Amendment should not be tolerated.

I urge others to join me in endorsing the Militant Fighting Fund and to contribute generously to meet legal and publicity expenses.
