Campaigners for the Socialist Workers Party presidential ticket of Alyson Kennedy and Osborne Hart are getting a great response: discussing with workers door to door the world crisis of capitalist production and trade, joining protests against cop brutality and against boss attacks, and asking people to join the SWP. Kennedy just returned from a nine-day fact-finding visit to Puerto Rico in solidarity with fighters for independence from Washington's colonial rule.

You can join in these efforts — just get in touch with the party in your area, listed on page 8.

You can also contribute to the \$40,000 Campaign Fund that makes this work possible. Contributions can be made out to Socialist Workers National Campaign Committee and sent to 227 W. 29th St., 6th Floor, New York, NY 10001.
